Cows and Plows Update:

Further to the Ratification Vote held on September 5th and the successful ratification of the Cows and Plows claim, Chief and Council can advise of the following:

1. Chief and Council have negotiated an expedited PCD payment option that will result in members receiving their PCD only three months following the Ratification Vote;
2. The expectation, barring any unforeseen delays, is that PCDs will be issued to members by December 12, 2020; and
3. If you are a full member of the Nation and have not provided your banking information, please contact the administration office as soon as possible.

A more formal update will be provided once the payment dates have been finalized.

Chief and Council once again thanks you all for participating in this great achievement for our Nation.

Thank you
