## **Sucker Creek Health Centre Employment Opportunity Opioid Therapy Case Manager – Full-Time Term (March 31, 2024)**

The Opioid Therapy Case Manager will strive to meet individual needs of people with opioid dependence through a case management model of coordinated and integrated services. This would include individual support, assessment, case management, advocacy and flexibility to meet client needs. The Case Manager will work directly with individuals currently accessing opioid replacement treatment and new clients.

### **DUTIES AND RESPONSIBILITIES:**

- Provide one on one and group counseling services including home visits
- Assist and guide new clients wanting to access OAT
- Create service or recovery plans with clients in community
- Assist clients to access available resources
- Client advocacy with service providers
- Liaise and network with community programs and supports
- Monthly reporting and statistical information

### **QUALIFICATIONS:**

- Bachelor of Social Work from a recognized institution with experience working in Mental Health and Addictions
- Proficient in Word, Excel, and other computer applications
- Ability to maintain strict confidentiality guidelines
- Excellent communication skills (oral and written)
- Valid class 4 License with a current driver abstract or the ability to obtain a class 4.
- Clear Criminal Records Check
- Clear Child Welfare check (CWIS)

**DEADLINE FOR APPLICATIONS: May 13, 2022 @ 4:30 PM**

**Late applications will not be considered – Only qualified applicants will be notified for an interview.**

**Please hand in your resumes, or mail or email them to:**
