

Sucker Creek First Nation

P.O. Box 65 Enilda, AB T0G 0W0 / Tel (780) 523-3888 / Fax (780) 523-3111

POSITION TITLE: Land Agent

POSITION REPORTS TO: Director of Consultation

SUMMARY: Sucker Creek First Nation is looking for an energetic and career-minded individual to join the Consultation & Land Management team. The goal of the agent is to assist the director of consultation to negotiate with proponents and stakeholders to protect our traditional lands, treaty rights and to create the best possible agreement for the nation. Will also work with the consultation director & coordinator in maintaining & expanding SCFN traditional territorial map. Will also work with SCFN to solve land disputes on the nation with proponents, government bodies and local landowners.

DUTIES:

- Assist consultation director with negotiation with proponents and stakeholders,
- Work alongside with consultation coordinator and forestry agent in site assessment & land deals/agreements,
- Work with the nations to handle disputes with local land/stake owners, federal, provincial and municipal governments,
- Assist consultation director & coordinator in the expansion and maintenance of SCFN traditional territorial map with the ACO.
- Assist the nation with ongoing & future land claims.
- Maintain and/or create a good & respectable working relationship with proponents & SCFN.

QUALIFICATIONS:

- Must provide a criminal record (CPIC) check and Child Welfare Information System (CWIS) check at the time of interview and as requested,
- Must provide driver's licence & a 5-year drivers abstract at the time of interview and as requested,
- Ability to speak Cree is an asset,
- Knowledge of First Nation culture and traditions is an asset,
- Oath of Confidentiality must be signed prior to commencing employment,
- Certificate and/or license in land agent, or a related field, college or university degree is an asset.
- Exceptional computer knowledge including proficiency with Microsoft Word, Excel, and PowerPoint.
- Communication and interpersonal skills are a high asset,
- Knowledge of traditional and medical plants, culturally modified trees and sites of indigenous significance is an asset,
- Minimum 5 years' experience as a land agent
